

IntellaspacTM Platforms

A complete line of keyboard trays designed to compliment all IntellaspacTM keyboard mechanisms

Shown in Black

Shown in Stardust Silver

All IntellaspacTM tray sets have been designed to facilitate a healthy working posture in virtually any workspace configuration. All tray sets fully retract on the standard 23" (584 mm) GlideTrackTM and shorter track lengths are available for shallow worksurfaces. It's easy to specify the most advanced ergonomic keyboarding solutions in the industry.
