

KVS18 (The Classic™) - KSA21

value keyboard spring assisted supports.....

soft touch knob control

KVS18
(The Classic™)

The leading solution for providing both value and ergonomic performance. The KVS18 features a spring-assisted keyboard arm with a single soft-touch knob control for both height and tilt adjustment. Simply loosen the knob, adjust to the most comfortable position and tighten. The KSA21 features a dual swivel arm enabling side to side keyboard movement and 360° front and rear swivel. Keyboard height is easily set by a knob control, while a ratchet handle is used to set the tilt angle.

INNOVATIVE IDEAS IN WORKPLACE COMFORT

KVS18-The Classic™

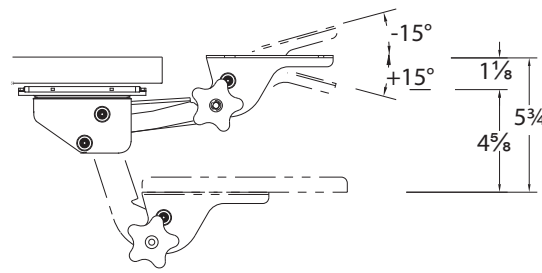

Advantages:

- Provides 5¾" (146 mm) of height adjustment and ±15° of tilt adjustment
- Slim profile allows for maximum knee clearance when in use or retracted
- Spring assisted design provides effortless height adjustment
- 360° rear swivel for optimal keyboard tray positioning and easy storage
- Standard length fits most shallow-depth worksurfaces and fully retracts on 17¾" (450 mm) track
- Available in a durable black powder coat finish
- Installation hardware and instructions included
- Exceeds the ANSI/BIFMA X5.5, 1998 industry performance standard
- Lifetime warranty

KSA21 - dual swivel

Advantages:

- Provides 8" (203 mm) of height adjustment and ±15° of tilt adjustment
- Knob height adjustment
- Tilt adjustment set by ratchet handle
- 360° front swivel, 360° rear swivel
- Fully retractable
- Available in a durable black powder coat finish
- Installation hardware and instructions included
- Meets ANSI/BIFMA (5.5,1989) standards
- Lifetime warranty
