

Universal / Straight Platforms

universal ideas.....

PU20-28

Universal Platform

PSF - Securefit™
Universal Clamp

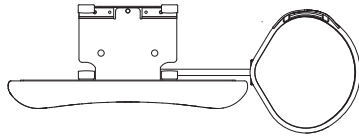

Achieve desired levels of personal comfort and performance with an ergonomic keyboard, where design is important for more than just productivity.

INNOVATIVE IDEAS IN WORKPLACE COMFORT

universal / straight

PSF - Securefit™ universal clamp

*PSF denoted as SF in EA combos

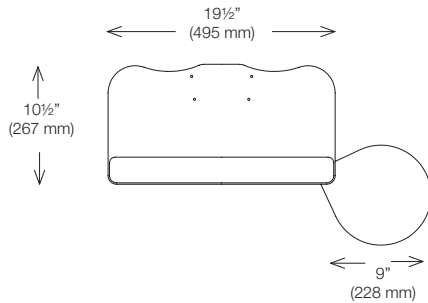

Securefit™

PSF

- fits straight, diagonals 12" (304 mm) and greater, radius 12" (304 mm) and greater
- mouse platform plugs in for right or left hand use
- slides to clamp keyboards from 5" (127 mm) - 9" (228 mm) deep
- width adjustable, tilt and swivel mouse provides infinite adjustment
- standard slow recovery palm support

PU20 20" (508 mm) universal platform

Mousing Options

* MA denoted as UMA in the EA combo section

** MBR/MBL denoted as UMB in the EA combo section

- *MA mouse above
- MAT mouse above with tilt
- MBR right handed mouse below
- MBRT right handed mouse below plus tilt

- MBL left handed mouse below
- MBLT left handed mouse below plus tilt
- MBD dual mouse below
- MBDT dual mouse below plus tilt

with upholstered palmrest

PU20U

with slow recovery palmrest

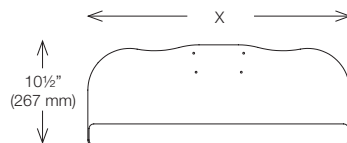

PU20S

- fits straight, diagonals 12" (304 mm) and greater, radius 12" (304 mm) and greater
- mousing surface can be mounted left or right
- swivel under mouse retracts under the keyboard when not in use, great for tight stations
- swivel over design minimizes user reach by placing mouse over the number pad
- optional swivel and tilting mouse surface

*To order a platform without a palmrest do not add the U or S to the code number. Price will be reduced by \$10 list on the lower price of the platform ordered.

*PU20-28 20" (508 mm) - 28" (711 mm) - universal platform
